

About Willow Productions

Willow Productions is the oldest women-operated production company in the country, and is committed to empowering women by sustaining women-centered culture.

We celebrate the diversity of women by showcasing a variety of artists including musicians, dancers, storytellers, comedians and other media artists. We work with other groups to educate ourselves and our community in social concerns in the hope of creating a just world.

Willow Productions received the 1997 Leadership Award from GLAAD (Gay & Lesbian Alliance Against Defamation) for the many years of bringing quality women's and gay culture to Kansas City. Willow Productions is a Council of CrossCurrents Culture Unlimited, A Missouri Non-Profit 501(c)(3) Corporation.
